Car & General Posts 40 pc Profit Growth

Listed company Car & General has released its turnover which is at KSh. 2.4 billion and has grown by 6.4 per cent over the corresponding period in the previous financial year. Profit before tax was at KSh. 191 million and grew by 40.8 per cent.

Announcing these half-year results for the Group, Mr. Vijay Gidoomal, the Group Managing Director, said, "The focus on the next six months will be to increase market share in all products lines. We expect a similar performance in the second half of the year".

This growth is attributed to Car & General's prudent market share And the economic and political stability being witnessed in Kenya.

Mr. Gidoomal said that the company will focus on rural areas throughout East Africa. This is in line with our **making customers smile on every street in every town** philosophy.
