

## Car & General Takes Safety Training to Namanga Town

Car & General's safety training for boda boda riders was taken to the border town of Namanga on June 18, 2011.

This training, sponsored by C&G and conducted by St John Ambulance is aimed at giving riders safety tips so as to encourage safe riding on the Kenyan roads.

Apart from educating riders on road safety measures, they are also shown how to handle injuries and manage situations caused by road accidents.
