

Bikes for administrators

Bahari CDF Chooses TVS Star Motorbikes

Car & General (Kenya) Limited Mombasa Branch has delivered 46 TVS Star motorcycles to the Bahari Constituency Development Fund. The bikes were presented to the area MP Hon. Bernedict Gundi who handed them to the local chiefs and their assistants.

The bikes were donated to the administrators by the Bahari CDF committee which resolved to buy the motorcycles to improve service delivery.

He noted that chiefs and their assistants had been facing difficulties in reaching certain areas of their locations hence the need for the motorbikes.
